**Farther Along** (capo-1, tune bass string to D)

*by W. B. Stevens*

D G D
Tempted and tried, we're oft made to wonder
D A
Why it should be thus all the day long
D G D
While there are others living about us
D A D
Never molested, though in the wrong

Refrain
D G D
Farther a-long we'll know all about it
D G D
Farther along we'll understand why
D G D
Cheer up my brother, live in the sunshine
D A D
We'll understand it all by and by

When death has come and taken our loved ones
It leaves our home so lonely and drear
Then do we wonder why others prosper
Living so wicked year after year

Faithful ‘til death, said our loving Master
A few more days to labor and wait
Toils of the road will then seem as nothing
As we sweep through the beautiful gate

When we see Jesus, coming in glory
When He comes from His home in the sky
Then we shall meet Him in that bright mansion
We'll understand it all by and by
