

## On My Way

G  
It used to be that where I went  
C G  
I always walked alone  
G  
I never understood myself  
D  
or what my living meant  
C G  
but Jesus came to save me  
C G  
to open up my eyes  
C G  
Jesus came and gave me  
D C G  
a new life to begin...

G  
Now I'm on my way  
C  
to a place called home  
G  
all the way  
D  
from this world I've roamed  
G  
been so long  
C  
since I started home  
G  
be so good  
D C G  
to be near God's throne

G  
It used to be that where I looked  
C G  
I always found despair  
G  
so many years of being hurt  
D  
taught me to beware  
C G  
but then I looked to Jesus  
C G  
and found that I could trust  
C G  
the One Who'll never leave us  
D C G  
His love will never fail...
