

# Throw Out The Life-Line

(capo-1)

by Edwin S. Ufford

D                                  A                                  D  
Throw out the Life-Line across the dark wave  
D                                                                          A  
There is a brother whom someone should save  
D                                  A                                  Bm  
Somebody's brother! Oh, who then will dare  
D                                                  A                  D  
To throw out the Life-Line his peril to share?

## *Refrain:*

D  
Throw out the Life-Line!  
D  
Throw out the Life-Line!  
A                                  D  
Someone is drifting away  
D  
Throw out the Life-Line!  
D  
Throw out the Life-Line!  
A                  G          D  
Someone is sinking today

Throw out the Life-Line with hand quick and strong  
Why do you tarry, why linger so long?  
See! He is sinking, oh, hasten today  
And out with the Life-Boat! Away then away!

Throw out the Life-Line to danger fraught men  
Sinking in anguish where you've never been  
Winds of temptation and billows of woe  
Will soon hurl them out where the dark waters flow

Soon will the season of rescue be o'er  
Soon will they drift to eternity's shore  
Haste then my brother no time for delay  
But throw out the Life-Line and save them today
