

Welcome Here

D G
There is a Presence in this room
A D
it's filling up our time and space
G
more than the motions of ourselves
A D
there's Someone moving through this place

Bm F#m D A D
And You are welcome in this place -- Holy Spirit
Bm F#m D
Your Body without You would be dead
G A D Bm
and we would waste away to our graves without You
D A D
Holy Spirit -- welcome here

D G
There is a longing in a heart
A D
whose waters run to deep to show
G
throughout the Body there are needs
A D
there is not one He does not know

D G
There is a joy that's just been found
A D
a desperate heart has opened wide
G
and someone's speaking unknown words
A D
Jesus is loving him inside

D G
There are emotions that we feel
A D
and then there's something even more
G
it's joy unspeakable inside
A D
and full of glory from the Lord
