

## But As For Me

Psalm 5,7,8,12

(capo as needed - 0, 1 or 2)

D                    D  
But as for me  
                  G                    D  
I will come into Your house  
                  D                    Bm  
in the multitude  
                  A  
of Your mercies  
                  D  
in fear of You  
G            D  
I will worship  
                  G            A    D  
in Your holy temple

Refrain:

                  D            G  
For You O Lord  
                                  D            A  
will bless the righteous  
                                  G  
with favor You  
                  D                                    A  
will surround him as with a shield

D                    D  
Lead me O Lord  
                  G                    D  
in Your righteousness  
                  D    Bm                    A  
because of --- my enemies  
                  D  
make Your way straight  
                  G                    D  
before my face  
                  G                    A                    D  
and I will come into Your house
